Dear Guidance Counselor:

The **Connecticut Chapter of the National Association of Housing and Redevelopment Officials (CONN-NAHRO)** will award three (3) John J. Kelly Memorial scholarships in the amount of \$3,500.00 each to deserving graduating seniors or current college students who reside in public housing or in a household that participates in a Section 8 program. **The application for the scholarships has been sent to your local public housing agency or Section 8 contractor.** The completed application and attachments must be returned to the local housing agency or Section 8 contractor to submit to CONN-NAHRO by June 8, 2018.

In order to broaden our applicant response, we thought that you or your staff might be able to identify potential recipients and encourage such young people **to contact their local public housing agency or Section 8 contractor for an application.** We expect the agencies to also contact their young residents in the appropriate age range; however, you would prove to be an excellent reinforcement.

The Scholarship Committee is concerned that we reach the most deserving of our residents with these scholarships. We realize that you are very busy people and want you to know that your help would be greatly appreciated.

If you have any questions, I may be reached at J. D'Amelia & Associates LLC., 37 Brookside Road, Waterbury, CT 06708. Contact information 203-757-1138 extension 160 or email to mmolina@jdamelia.com

Sincerely,

Michelle Molina, Chairperson
