ANSWER 2: please email to put your name down for what times you want to visit. Addresses are part of Exhibit A, and above. We do not have the exact square feet of each building without gathering that information from the assessor. But, we estimate 791 Windsor to be approximately 3,000 sq feet, and approximately 19,000 square feet at 180 John D Wardlaw Way. 180 has 7 bathrooms and 791 has 2 bathrooms.
