Project Based Voucher Program

Up to Eighty (80) Vouchers

EXISTING HOUSING UNIT PROPOSALS ONLY

I. GENERAL INFORMATION

OBJECTIVE

The Housing Authority of the City of Hartford (“HACH”) is soliciting proposals from local landlords to participate in the Section 8 Project Based Voucher Programs. HACH may award up to eighty (80) project-based vouchers under this solicitation.

HACH selects to participate in and administer the Housing Choice Voucher Project Based Voucher (PBV) program whereby the rental assistance is attached to the structure. HACH will enter into a HAP contract with the owner for the units of existing housing. During the term of the contract, HACH will make HAP payments to the owner for units leased and occupied by eligible families.

HACH may provide up to 20% of its budget authority as allocated by HUD for use in the Project Based Voucher program. The PBV program requires compliance with all equal opportunity requirements under federal law and regulations including the authorities cited at 24 CFR 5.105(a). HACH may not provide PBV assistance for housing types inclusive of, but not limited to the following

- Shared housing;
- Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- Nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care or intermediate care;
- Units that are owned or controlled by an educational institution or its affiliate and are designed for occupancy by students of the institution;
- Manufactured homes;

- Cooperative housing;
- Transitional housing;
- Owner occupied units;
- Hi-rise family units (without prior HUD approval); or
- For units occupied by families that are in-eligible for Project Based Assistance based upon local PHA admittance criteria.

Additionally, HACH may not provide PBV assistance to the following types of assisted units in accordance with 24 CFR 983.54:

- A public housing dwelling unit;
- A unit subsidized with any other form of Section 8 assistance (i.e., tenant based or project-based assistance);
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 / Section 521 / Section 202 / Section 811 / Section 101 rental assistance payments;
- A unit subsidized with any form of tenant-based rental assistance (i.e., HOME funded programs);
- A unit with any other duplicative federal, state, or local housing subsidy.

METHOD OF SOLICITATION

For this solicitation, HACH utilizes a competitive proposal selection process. HACH will provide broad public notice of the solicitation.

For this request, HACH will select PBV proposals by the following method:

- Request for Proposals – This request for proposal does not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV on different sites.

This process involves HACH requesting and receiving technical proposals from interested parties. The technical proposals will be evaluated, scored and ranked separately by HACH in accordance with the Evaluation/Selection Process and Selection Criteria described in this solicitation. HACH will calculate the total score for each proposal in accordance with the procedures described in this solicitation. The proposals receiving the highest scores may be awarded contracts based on voucher funding availability.

II. PROGRAM DESCRIPTION

PROJECT BASED VOUCHER PROGRAM

HACH selects to participate in and administer the PBV program. The rental assistance is attached to the structure. HACH will enter into a HAP contract with the owner for the units of existing housing. During the term of the contract, HACH will make HAP payments to the owner for the units leased and occupied by eligible families.

Cap on Number of PBV Units per Assisted Building

HACH may only select proposals and enter into HAP contract to provide PBV assistance for up to 25% of units in each building.

PBV units will not be counted against the 25% cap for the following types of assisted units:

1. The units are exclusively for elderly families.
2. The units are for households eligible for supportive services available to all families receiving PBV assistance in the project.
3. If the project is in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or forty percent (40%) (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

Site Selection Standards

It is the PHA goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal, the PHA will limit approval of sites for PBV housing in census tracts that have poverty concentrations of twenty percent (20%) or less. However, the PHA will grant exceptions to the twenty percent (20%) standard where the PHA determines that the PBV assistance will complement other local redevelopment activities designed to deconcentrate poverty and expand housing and economic opportunities in census tracts with poverty concentrations greater than 20 percent, such as sites in any of the following:

- A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community

- A census tract where the concentration of assisted units will be or has decreased because of public housing demolition and HOPE VI redevelopment
- A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of state, local, or federal dollars invested in the area
- A census tract where new market rate units are being developed where such market rate units will positively impact the poverty rate in the area
- A census tract where there has been an overall decline in the poverty rate within the past five years
- A census tract where there are meaningful opportunities for educational and economic advancement

Existing Housing Sites

A proposed site for existing must meet the following site and neighborhood standards. Also, to be considered existing housing, the units must substantially comply with HQS at the time of proposal selection. Attach a sketch of any proposed rehabilitation work and include an estimate of the total construction costs. If the total rehabilitation costs exceed \$5,000 per unit, the units shall not be considered existing and the proposal shall be rejected. Please note that any rehabilitation that is performed post HAP Contract execution is subject to Davis-Bacon rules for 18 months following the effective date of the HAP Contract.

The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

Environmental Review

PBV selected sites are subject to HUD environmental regulations with 24 CFR parts 50 and 58. HACH may not enter into a PBV HAP contract with an owner until one of the following occurs:

- The responsible entity has completed the environmental review procedures required by 24 CFR part 58 and HUD has approved the environmental certification and request for release of funds;
- The responsible entity has determined that the project to be assisted is exempt under 24 CFR 58.34 or is categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or
- In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.
- HUD has performed an environmental review under 24 CFR part 50 and has notified HACH in writing of environmental approval of the site.

Upon any environmental findings, as applicable, the owner is required to carry out mitigating measures required by the responsible entity in order to enter into a HAP contract with HACH. All costs related to Environmental Review will be solely the responsibility of the owner.

Uniform Relocation Act

Any persons displaced as a result of the award of PBV assistance must be provided relocation assistance at the levels described in and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and implementing regulations at 49 CFR part 24. It is the responsibility of the owner to comply with these requirements and pay the cost of required relocation assistance.

Housing Quality Standards

Assisted units under the PBV program are subject to Housing Quality Standards as outlined in 24 CFR 982.401.

HACH will conduct HQS inspections of individual units prior to selection of the site and again at prior to execution of the HAP contract for each assisted unit. Additionally, for each assisted family in the units, annual inspections will be conducted as well as turnover inspections (move in and move out inspections when the unit becomes vacant and then again leased up). HACH reserves the right to inspect the unit at any time outside of the aforementioned times (i.e., quality control inspections, tenant compliant or landlord complaint inspections).

Lead Based Paint

The lead-based paint requirements under 982.401 do not apply to PBV programs, however, the Lead-Based Paint Poisoning Prevention Act and the Residential Lead Based Paint Hazard Reduction Act of 1992 and implementing regulations at 24 CFR part 35, subparts A, B, H and R apply to the PBV program.

Housing Accessibility

The proposed and selected housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8. HACH shall ensure that the percentage of accessible dwelling units complies with said requirements.

In addition, housing first occupied after March 13, 1991 must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205 as applicable.

Execution of HAP Contracts

HACH will enter into a HAP contract with the selected owner for an initial term of up to 10 years.

Within one (1) year of expiration, HACH may agree, at its sole discretion, to extend the term of the HAP contract up to an additional number of years equivalent to the original HAP term if HACH determines that an extension is appropriate to advance the best interests of HACH.

The HAP contract will state that HACH's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or the HACH in accordance with HUD instructions. The owner may terminate the HAP contract, upon notice to HACH, if the amount of the rent to owner for any contract unit is reduced below the amount of the initial rent to owner at the beginning of the HAP contract term. In such cases, the assisted families residing in the contract units will be offered tenant-based voucher assistance.

Owner Responsibilities

The owner must maintain and operate the contract units and premises in accordance with the Housing Quality Standards including performance of ordinary and extraordinary maintenance. In addition, the owner certifies that at execution and during the term of the HAP contract, all the following:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS
- The owner is providing all services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases
- Each contract unit for which the owner is receiving HAP contract payment, is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP contract payments, and the unit is the family's only residence

- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit
- The amount of the HAP contract payment the owner is receiving is correct under the HAP contract
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units
- Except for HAP contract payments and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit
- The family does not own or have any interest in the contract unit (does not apply to family's membership in a cooperative)
- Repair work on the project selected as an existing project that is performed after HAP contract execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken is in compliance with Davis-Bacon wage requirements

Tenant Selection

HACH will select families from a separately established wait list for project-based vouchers. Eligible in place families receiving vouchers will not impact the wait list or be impacted by the waitlist. Should an owner tenant selection plan allow for referrals and such referrals are eligible and permissible under the admin plan they will receive a preference to be housed. Not less than 75% of the families admitted to the tenant based and project-based voucher programs will be extremely low-income families.

HACH may only provide rental assistance to families determined eligible at the commencement of PBV assistance in accordance with the Administrative Plan, Chapter 3 Eligibility.

In selecting families to occupy PBV units with special accessibility features for persons with disabilities, HACH must first refer families who require such accessibility features to the owner.

Once a family has been determined eligible, the head of household will be invited to attend a briefing session as outlined in the Administrative Plan, Chapter 5 Briefings and Voucher Issuance.

Should the tenant be terminated by the owner for good cause, the tenant will not be eligible for a tenant-based voucher upon lease termination. Should the owner choose not to renew the lease without good cause, the tenant will be offered a tenant-based voucher.

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. If the family wishes to move with continued tenant-based assistance, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease. If the family terminates the lease in accordance with these requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance. If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

In-Place Families [24 CFR 983.251(b)] An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the PHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the PHA's Housing Authority waiting list. Once the family's continued eligibility is determined (the PHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the PHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements. This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

Rent to Owner

The amount of initial rent to owner is determined prior to execution of the HAP contract in accordance with the Administrative Plan, Chapter 17 – Project Based Vouchers. There is an exception of initial contract rents for certain tax credit units as follows:

- A contract unit that receives a low-income housing tax credit under the IRS Code of 1986; or
- The contract unit is not located within a qualified census tract; or
- In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; or
- The tax credit rent exceeds one-hundred ten percent (110%) of the fair market rent or any approved exception payment standard.

In such excepted tax credit units, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- An amount determined by the PHA, not to exceed one-hundred ten percent (110%) of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

The initial contract rent for any other tax credit unit, not included in the aforementioned list, will be determined in accordance with the Administrative Plan, Chapter 17 – Project Based Vouchers.

For units assisted under the HOME program, rents may not exceed the rent limits as required by the HOME program.

Payment to Owner

HACH will administer payments to owners as outlined in Administrative Plan, Chapter 17 – Project Based Vouchers.

Tenant Rent/Payment to Owner

HACH will administer payments to owners as outlined in Administrative Plan, Chapter 17 – Project Based Vouchers.

A PHA must determine that any extension is appropriate to achieve long-term affordability of the housing or expand housing opportunities.

4. Requirement for sufficient appropriated funding

- a. The length of the initial term and any extension term shall be subject to availability, as determined by HUD, or by the PHA in accordance with HUD requirements, of sufficient appropriated funding (budget authority), as provided in appropriations acts and in the PHA's annual contributions contract (ACC) with HUD, to make full payment of housing assistance payments due to the owner for any contract year in accordance with the HAP contract.
- b. The availability of sufficient funding must be determined by HUD or by the PHA in accordance with HUD requirements. e. Occupancy and payment

1. Payment for occupied unit

During the term of the HAP contract, the PHA shall make housing assistance payments to the owner for the months during which a contract unit is leased to and occupied by an eligible family. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner’s fault.

2. Vacancy payment

THE PHA HAS DISCRETION WHETHER TO INCLUDE THE VACANCY PAYMENT PROVISION (PARAGRAPH e.2), OR TO STRIKE THIS PROVISION FROM THE HAP CONTRACT FORM.

- a. If an assisted family moves out of a contract unit, the PHA may provide vacancy payments to the owner for a PHA-determined vacancy period extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.

Any vacancy payment may cover only the period the unit remains vacant.

1. Except as provided in paragraphs f.2 through f.5 below, the PHA will not make housing assistance payments under the HAP contract for more than the greater of 25 units or 25 percent of the total number of dwelling units (assisted or unassisted) in any project. The term "project" means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land assisted under this HAP contract.
2. The limitation in paragraph f.1 does not apply to single-family buildings.
3. In referring eligible families to the owner for admission to the number of contract units in any project exceeding the 25 unit or 25 percent limitation under paragraph f.1, the PHA shall give preference to elderly families or to families eligible for supportive services, for the number of contract units designated for occupancy by such families. The owner shall rent the designated number of contract units to such families referred by the PHA from the PHA waiting list.
4. Up to the greater of 25 units or 40 percent of units (instead of the greater of 25 units or 25 percent of units) in a project may be project-based if the project is located in a census tract with a poverty rate of 20 percent or less.
5. Units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD do not count toward the income-mixing requirement if, in the five years prior to issuance of the Request for Proposal or notice of owner selection (for projects selected based on a prior competition or without competition), the unit received one of the forms of HUD assistance or was under a federal rent restriction as described in f.6 and f.7, below.

The initial rent to owner for each contract unit is stated in Exhibit A, which is attached to and made a part of the HAP contract. At the beginning of the HAP contract term, and until rent to owner is adjusted in accordance with section 5 of the HAP contract, the rent to owner for each bedroom size (number of bedrooms) shall be the initial rent to owner amount listed in Exhibit A.

Place a check mark here ___ if the PHA has elected not to reduce rents below the initial rent to owner.

The PHA may recover any overpayment from the owner.

c. PHA payment to owner

2. The monthly housing assistance payment to the owner for a contract unit is equal to the amount by which the rent to owner exceeds the tenant rent.
3. Payment of the tenant rent is the responsibility of the family. The PHA is not responsible for paying any part of the tenant rent, or for paying any other claim by the owner against a family. The PHA is responsible only for making housing assistance payments to the owner on behalf of a family in accordance with the HAP contract.

7. The owner will notify the PHA promptly of any change of circumstances that would affect the amount of the monthly housing assistance payment, and will return any payment that does not conform to the changed circumstances.

d. Termination of assistance for family

The PHA may terminate housing assistance for a family under the HAP contract in accordance with HUD requirements. The PHA must notify the owner in writing of its decision to terminate housing assistance for the family in such case.

5. ADJUSTMENT OF RENT TO OWNER

a. PHA determination of adjusted rent

1. At each annual anniversary during the term of the HAP contract, the PHA shall adjust the amount of rent to owner, upon request to the PHA by the owner, in accordance with law and HUD requirements. In addition, the PHA shall adjust the rent to owner when there is a ten percent decrease in the published, applicable Fair Market Rent in accordance with 24 CFR 983.302. However, if the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner except in those cases described in 24 CFR 983.302(c)(2).
2. The adjustment of rent to owner shall always be determined in accordance with all HUD requirements. The amount of the rent to owner may be adjusted up or down, in the amount defined by the PHA in accordance with HUD requirements.

b. Reasonable rent

The rent to owner for each contract unit, as adjusted by the PHA in accordance with 24 CFR 983.303, may at no time exceed the reasonable rent charged for comparable units in the private unassisted market, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner. The reasonable rent shall be determined by the PHA in accordance with HUD requirements.

c. No special adjustments

The PHA will not make any special adjustments of the rent to owner.

d. Owner compliance with HAP contract

The PHA shall not approve, and the owner shall not receive, any increase of rent to owner unless all contract units are in accordance with the HQS, and the owner has complied with the terms of the assisted leases and the HAP contract.

e. Notice of rent adjustment

Rent to owner shall be adjusted by written notice by the PHA to the owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

6. OWNER RESPONSIBILITY

The owner is responsible for:

- a. Performing all management and rental functions for the contract units.
- b. Maintaining the units in accordance with HQS.
- c. Complying with equal opportunity requirements.
- d. Enforcing tenant obligations under the lease.
- e. Paying for utilities and housing services (unless paid by the family under the lease).
- f. Collecting from the tenant:
 1. Any security deposit;

2. The tenant rent; and
3. Any charge for unit damage by the family.

7. OWNER CERTIFICATION

The owner certifies that at all times during the term of the HAP contract:

- a. All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- b. The owner is providing all the services, maintenance and utilities as agreed to under the HAP contract and the leases with assisted families.
- c. Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.
- d. To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- e. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit unless the PHA has determined that approving leasing of the unit would provide a reasonable accommodation for a family member who is a person with disabilities.
- f. The amount of the housing assistance payment is the correct amount due under the HAP contract.
- g. The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- h. Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.
- i. The family does not own, or have any interest in the contract unit. If the owner is a cooperative, the family may be a member of the cooperative.

8. CONDITION OF UNITS

a. Owner maintenance and operation

The owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance and utilities set forth in Exhibits B and C, and in the lease with each assisted family.

b. PHA inspections

1. The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with the HQS.
2. Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with the HQS.
3. At least biennially during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS. Turnover inspections pursuant to paragraph 2 of this section are not counted toward meeting this biennial inspection requirement.
4. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.
5. The PHA must inspect contract units whenever needed to determine that the contract units comply with the HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information that comes to its attention in scheduling inspections.

c. Violation of the housing quality standards

1. If the PHA determines a contract unit is not in accordance with the HQS, the PHA may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include

termination, suspension or reduction of housing assistance payments, and termination of the HAP contract.

2. The PHA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.
3. The PHA shall not make any housing assistance for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any PHA-approved extension).

d. Maintenance and replacement—owner’s standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

9. LEASING CONTRACT UNITS

a. Selection of tenants

1. During the term of the HAP contract, the owner must lease all contract units to eligible families selected and referred by the PHA from the PHA waiting list. (See 24 CFR 983.251.)
2. The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant’s ability to perform the lease obligations.
3. Consistent with HUD requirements and Federal civil rights and fair housing requirements, the owner may apply its own nondiscriminatory admission procedures in determining whether to admit a family referred by the PHA for occupancy of a contract unit. The owner may refer families to the PHA, and recommend selection of such families from the PHA waiting list for occupancy of vacant units.
4. The owner must promptly notify in writing any rejected applicant of the grounds for rejection.

5. The PHA must determine family eligibility in accordance with HUD requirements.
6. The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.
7. If a contract unit was occupied by an eligible family at the time the unit was selected by the PHA, or is so occupied on the effective date of the HAP contract, the owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP contract.
8. The owner is responsible for screening and selecting tenants from the families referred by the PHA from its waiting list.

b. Vacancies

1. The owner must promptly notify the PHA of any vacancy in a contract unit. After receiving the owner notice, the PHA shall make every reasonable effort to refer a sufficient number of families for owner to fill the vacancy.
2. The owner must rent vacant contract units to eligible families on the PHA waiting list referred by the PHA.
3. The PHA and the owner must make reasonable, good faith efforts to minimize the likelihood and length of any vacancy.
4. If any contract units have been vacant for a period of 120 or more days since owner notice of vacancy (and notwithstanding the reasonable, good faith efforts of the PHA to fill such vacancies), the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

10. TENANCY

a. Lease

The lease between the owner and each assisted family must be in accordance with HUD requirements. In all cases, the lease must include the HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

b. Termination of tenancy

1. The owner may terminate a tenancy only in accordance with the lease and HUD requirements.
2. The owner must give the PHA a copy of any owner eviction notice to the tenant at the same time that the owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

c. Family payment

1. The portion of the monthly rent to owner payable by the family (“tenant rent”) will be determined by the PHA in accordance with HUD requirements. The amount of the tenant rent is subject to change during the term of the HAP contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
2. The amount of the tenant rent as determined by the PHA is the maximum amount the owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the owner in accordance with the HAP contract and the lease.
3. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess rent payment to the tenant.
4. The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP contract. The owner may not terminate the tenancy of an assisted family for nonpayment of the PHA housing assistance payment.
5. The PHA is responsible only for making the housing assistance payments to the owner on behalf of the family in accordance with the HAP contract. The PHA is not responsible for paying the tenant rent, or any other claim by the owner.

d. Other owner charges

1. Except as provided in paragraph 2, the owner may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not grounds for termination of tenancy.
2. In assisted living developments receiving project-based voucher assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.
3. The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

1. The owner may collect a security deposit from the family.
2. The owner must comply with HUD and PHA requirements, which may change from time to time, regarding security deposits from a tenant.
3. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted families.
4. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or other amounts which the family owes under the lease. The owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the owner, the owner must promptly refund the full amount of the balance to the family.
5. If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may seek to collect the balance

from the family. However, the PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

11. FAMILY RIGHT TO MOVE

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.
- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. OVERCROWDED, UNDER-OCCUPIED, AND ACCESSIBLE UNITS

The PHA subsidy standards determine the appropriate unit size for the family size and composition. The PHA and owner must comply with the requirements in 24 CFR 983.260. If the PHA determines that a family is occupying a wrong-size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the PHA must promptly notify the family and the owner of this determination, and of the PHA's offer of continued assistance in another unit. 24 CFR 983.260(a).

13. PROHIBITION OF DISCRIMINATION

- a. The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, religion, sex, national origin, disability, age or familial status.
- b. The owner must comply with the following requirements: The Fair Housing Act (42 U.S.C. 3601-19) and implementing regulations at 24 CFR part 100 *et seq.*; Executive Order 11063, as amended by Executive Order 12259 (3 CFR, 1959-1963 Comp., p. 652 and 3 CFR, 1980 Comp., p. 307) (Equal Opportunity in Housing Programs) and implementing regulations at 24 CFR part 107; title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted

Programs) and implementing regulations at 24 CFR part 1; the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and implementing regulations at 24 CFR part 146; section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at part 8 of this title; title II of the Americans with Disabilities Act, 42 U.S.C. 12101 *et seq.*; 24 CFR part 8; section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR part 135; Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 (3 CFR, 1964-1965 Comp., p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970 Comp., p. 803; 3 CFR, 1978 Comp., p. 230; and 3 CFR, 1978 Comp., p. 264, respectively) (Equal Employment Opportunity Programs) and implementing regulations at 41 CFR chapter 60; Executive Order 11625, as amended by Executive Order 12007 (3 CFR, 1971-1975 Comp., p. 616 and 3 CFR, 1977 Comp., p. 139) (Minority Business Enterprises); Executive Order 12432 (3 CFR, 1983 Comp., p. 198) (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (3 CFR, 1977 Comp., p. 393 and 3 CFR, 1987 Comp., p. 245) (Women's Business Enterprise).

- c. The owner must comply with HUD's Equal Access to HUD-assisted or -insured housing rule (24 CFR 5.105(a)(2)).
- d. The owner must comply with the Violence Against Women Act, as amended, and HUD's implementing regulation at 24 CFR part 5, Subpart L, and program regulations.
- e. The PHA and the owner must cooperate with HUD in the conducting of compliance reviews and complaint investigations pursuant to all applicable civil rights statutes, Executive Orders, and all related rules and regulations.

14. PHA DEFAULT AND HUD REMEDIES

If HUD determines that the PHA has failed to comply with the HAP contract, or has failed to take appropriate action to HUD's satisfaction or as directed by HUD, for enforcement of the PHA's rights under the HAP contract, HUD may assume the PHA's rights and obligations under the HAP contract, and may perform the obligations and enforce the rights of the PHA under the HAP contract.

15. OWNER DEFAULT AND PHA REMEDIES

a. Owner default

Any of the following is a default by the owner under the HAP contract:

1. The owner has failed to comply with any obligation under the HAP contract, including the owner's obligations to maintain all contract units in accordance with the housing quality standards.
2. The owner has violated any obligation under any other housing assistance payments contract under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).
3. The owner has committed any fraud or made any false statement to the PHA or HUD in connection with the HAP contract.
4. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing assistance program.
5. If the property where the contract units are located is subject to a lien or security interest securing a HUD loan or a mortgage insured by HUD and:
 - a. The owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement; or
 - b. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with the HUD loan or HUD-insured mortgage.
6. The owner has engaged in any drug-related criminal activity or any violent criminal activity.

b. PHA remedies

1. If the PHA determines that a breach has occurred, the PHA may exercise any of its rights or remedies under the HAP contract.
2. The PHA must notify the owner in writing of such determination. The notice by the PHA to the owner may require the owner to take corrective action (as verified by the PHA) by a time prescribed in

the notice.

3. The PHA's rights and remedies under the HAP contract include recovery of overpayments, termination or reduction of housing assistance payments, and termination of the HAP contract.

c. PHA remedy is not waived

The PHA's exercise or non-exercise of any remedy for owner breach of the HAP contract is not a waiver of the right to exercise that remedy or any other right or remedy at any time.

16. OWNER DUTY TO PROVIDE INFORMATION AND ACCESS REQUIRED BY HUD OR PHA

a. Required information

The owner must prepare and furnish any information pertinent to the HAP contract as may reasonably be required from time to time by the PHA or HUD. The owner shall furnish such information in the form and manner required by the PHA or HUD.

b. PHA and HUD access to premises

The owner must permit the PHA or HUD or any of their authorized representatives to have access to the premises during normal business hours and, for the purpose of audit and examination, to have access to any books, documents, papers and records of the owner to the extent necessary to determine compliance with the HAP contract, including the verification of information pertinent to the housing assistance payments or the HAP contract.

17. PHA AND OWNER RELATION TO THIRD PARTIES

a. Injury because of owner action or failure to act

The PHA has no responsibility for or liability to any person injured as a result of the owner's action or failure to act in connection with the implementation of the HAP contract, or as a result of any other action or failure to act by the owner.

b. Legal relationship

The owner is not the agent of the PHA. The HAP contract does not create or affect any relationship between the PHA and any lender to the owner or

any suppliers, employees, contractors or subcontractors used by the owner in connection with the implementation of the HAP contract.

c. Exclusion of third-party claims

Nothing in the HAP contract shall be construed as creating any right of a family or other third party (other than HUD) to enforce any provision of the HAP contract, or to assert any claim against HUD, the PHA or the owner under the HAP contract.

d. Exclusion of owner claims against HUD

Nothing in the HAP contract shall be construed as creating any right of the owner to assert any claim against HUD.

18. PHA-OWNED UNITS

Notwithstanding Section 17 of this HAP contract, a PHA may own units assisted under the project-based voucher program, subject to the special requirements in 24 CFR 983.59 regarding PHA-owned units.

19. CONFLICT OF INTEREST

a. Interest of members, officers, or employees of PHA, members of local governing body, or other public officials

1. No present or former member or officer of the PHA (except tenant-commissioners), no employee of the PHA who formulates policy or influences decisions with respect to the housing choice voucher program or project-based voucher program, and no public official or member of a governing body or State or local legislator who exercises functions or responsibilities with respect to these programs, shall have any direct or indirect interest, during his or her tenure or for one year thereafter, or in the HAP contract.
2. HUD may waive this provision for good cause.

b. Disclosure

The owner has disclosed to the PHA any interest that would be a violation of the HAP contract. The owner must fully and promptly update such disclosures.

c. Interest of member of or delegate to Congress

No member of or delegate to the Congress of the United States of America or resident-commissioner shall be admitted to any share or part of this HAP Contract or to any benefits arising from the contract.

20. EXCLUSION FROM FEDERAL PROGRAMS

a. Federal requirements

The owner must comply with and is subject to requirements of 2 CFR part 2424.

b. Disclosure

The owner certifies that:

1. The owner has disclosed to the PHA the identity of the owner and any principal or interested party.
2. Neither the owner nor any principal or interested party is listed on the U.S. General Services Administration list of parties excluded from Federal procurement and non-procurement programs; and none of such parties are debarred, suspended, subject to a limited denial of participation or otherwise excluded under 2 CFR part 2424.

21. TRANSFER OF THE CONTRACT OR PROPERTY

a. When consent is required

1. The owner agrees that neither the HAP contract nor the property may be transferred without the advance written consent of the PHA in accordance with HUD requirements.
2. “Transfer” includes:
 - i. Any sale or assignment or other transfer of ownership, in any form, of the HAP contract or the property;
 - ii. The transfer of any right to receive housing assistance payments that may be payable pursuant to the HAP contract;

The owner must obtain advance consent pursuant to paragraph a for transfer of any interest of a general partner.

b. Transferee assumption of HAP contract

No transferee (including the holder of a security interest, the security holder's transferee or successor in interest, or the transferee upon exercise of a security interest) shall have any right to receive any payment of housing assistance payments pursuant to the HAP contract, or to exercise any rights or remedies under the HAP contract, unless the PHA has consented in advance, in writing to such transfer, and the transferee has agreed in writing, in a form acceptable to the PHA in accordance with HUD requirements, to assume the obligations of the owner under the HAP contract, and to comply with all the terms of the HAP contract.

c. Effect of consent to transfer

1. The creation or transfer of any security interest in the HAP contract is limited to amounts payable under the HAP contract in accordance with the terms of the HAP contract.
2. The PHA's consent to transfer of the HAP contract or the property does not to change the terms of the HAP contract in any way, and does not change the rights or obligations of the PHA or the owner under the HAP contract.
3. The PHA's consent to transfer of the HAP contract or the property to any transferee does not constitute consent to any further transfers of the HAP contract or the property, including further transfers to any successors or assigns of an approved transferee.

d. When transfer is prohibited

The PHA will not consent to the transfer if any transferee, or any principal or interested party is debarred, suspended subject to a limited denial of participation, or otherwise excluded under 2 CFR part 2424, or is listed on the U.S. General Services Administration list of parties excluded from Federal procurement or non-procurement programs.

22. SUBSIDY LAYERING

A subsidy layering review is not required for existing housing projects.

2. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the HAP contract, the owner must complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The HAP contract may be terminated upon at least 30 days notice to the owner by the PHA or HUD if the PHA or HUD determines that the contract units were not eligible for selection in conformity with HUD requirements.

25. NOTICES AND OWNER CERTIFICATIONS

a. Where the owner is required to give any notice to the PHA pursuant to the

HAP contract or any other provision of law, such notice must be in writing and must be given in the form and manner required by the PHA.

- b. Any certification or warranty by the owner pursuant to the HAP contract shall be deemed a material representation of fact upon which reliance was placed when this transaction was made or entered into.

26. NOTICE OF TERMINATION OR EXPIRATION WITHOUT EXTENSION

- a. An owner must provide notice to the PHA, and to the affected tenants, not less than 1 year prior to the termination or expiration without extension of a HAP contract.
- b. An owner who fails to provide such notice must permit tenants to remain in their units for the required notice period with no increase in the tenant portion of the rent. During this time period, an owner may not evict a tenant as a result of the owner's inability to collect an increased tenant portion of rent. With PHA agreement, an owner may extend the terminating contract for a period of time sufficient to give tenants 1 year advance notice.

27. FAMILY'S RIGHT TO REMAIN

Upon termination or expiration of the contract without extension, each family assisted under the contract may elect to use its assistance to remain in the project if the family's unit complies with the inspection requirements under section 8(o)(8) (42 U.S.C. 1437f(o)(8) of the U.S. Housing Act of 1937 ("the 1937 Act")), the rent for the unit is reasonable as required by section 8(o)(10)(A) of the 1937 Act, and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard.

28. ENTIRE AGREEMENT; INTERPRETATION

- a. The HAP contract, including the exhibits, is the entire agreement between the PHA and the owner.
- b. The HAP contract must be interpreted and implemented in accordance with all statutory requirements, and with all HUD requirements, including amendments or changes in HUD requirements during the term of the HAP contract. The owner agrees to comply with all such laws and HUD requirements. Any regulatory citation specifically included in this HAP contract is subject to any subsequent revision of such citation.
